This report summarizes the number of Adverse Action Reports (including licensure actions, any other negative actions or findings, and other adjudicated actions) and Civil Judgment or Criminal Conviction Reports submitted for each professional category including the number of Federal Agencies that have submitted reports under each category. This data is current as of October 18, 2009. Professional categories which were not available for the entire time period are noted.

**Data Disclaimer:** Not all Federal agencies have submitted reports, and some have submitted reports that were rejected and therefore not included here. Not all professional categories listed below are licensed or certified by every State. Furthermore, the reporting entity may not have taken reportable actions since August 21, 1996, and, consequently do not have reportable actions to submit to the HIPDB.
