

NPDB Summary Report

The following is a summary of reports submitted and accepted into the NPDB for each professional category. This data covers the period from September 1, 1990 through February 6, 2010. Professional categories which were not available for the entire time period are noted.

Data Disclaimer: Reports of adverse clinical privileges and professional society membership actions against practitioners other than physicians and dentists, (e.g., chiropractors, psychologists, podiatrists) are submitted voluntarily. Adverse licensure actions against non-physicians and non-dentists are not reportable to the NPDB. Therefore, the numbers included in the "Licensure, Clinical Privileges, and Professional Society Membership Reports" column DO NOT represent a complete picture nor does it represent a good sample of all adverse actions taken against non-physicians and non-dentists.
